

## MEDICAL RETENTION PROCESS (MRP)

**Process below is based actions after a Reserve Component (RC) soldier has been mobilized, deployed/employed, injured and moved into medical system for care and/or appropriate board action.**

Process shows both transition to the Medical Retention Process Program and then the selection and management of soldiers in the Community Reassignment to allow replacement actions.

- Retain on 12302. Reassign to a unit identified by the Inst
- (DA G-1 & HRC to determine orders format to support eMILPO)
